

Sugar Cookie™

SWEET VIBURNUM

This compact shrub is half the size of other Viburnum odoratissimum varieties and sports smaller leaves. Fragrant white flower clusters emerge in early spring, and its foliage begins with a lovely cinnamon color in spring and throughout the growing season. You'll love its easy care qualities, versatility in the landscape, heat tolerance and disease and pest resistance.

USE

Accent, Coastal, Container, Hedge, Low Hedge, Mass Planting, Privacy Planting

BLOOM / BLOOM TIME

Small white flower clusters in spring

GROWTH RATE

Moderate to fast

WATER

Medium

SOIL

Tolerates a wide range
